Case No. 2:13-cv-1188-JAD-CWH

Order and Final Judgment

9
10 On July 10, 2015, I resolved a longstanding motion to dismiss. The result was the final
11 termination of all claims by Lauren Hack and all claims against former FBI Director Mueller and the
12 United States. I dismissed all of Jacob Hack's claims, too, but I gave him until August 10, 2015, to
13 file a second amended complaint if he could cure the deficiencies in his Privacy Act claim against
14 the FBI or a Bivens claim for a Fourth Amendment violation.¹ I expressly warned, "If Jacob Hack
15 fails to file a timely and proper second amended complaint, this action will be dismissed in its
16 entirety and the case will be closed."²

17 The August 10, 2015, deadline came and went without any amended complaint or request to
18 extend the deadline. Accordingly, with good cause appearing and no reason for delay, it is HEREBY
19 ORDERED, ADJUDGED, AND DECREED that this case is now DISMISSED in its entirety. The
20 Clerk of Court is instructed to enter judgment accordingly and close this case.
